Program Overview

Southern New Hampshire University's **Bachelor of Science in Business Administration with a specialization in Entrepreneurship** focuses on building a solid foundation for a successful career in business. This degree opens a variety of doors by providing you with practical, experiential learning opportunities to immediately apply to the workplace. You'll prepare to be an adaptable, efficient team leader, while also earning a coveted SNHU alumni status and gaining access to SNHU's vast global network.

With a specialization in entrepreneurship, you will gain specialized knowledge in creating, planning for and managing business ventures. Ideal for those looking for the practical skills to bring their startup ideas to life, this program helps you master skills in areas such as accounting, finance, human resources and marketing within an entrepreneurial context. This global degree from an accredited U.S. university offers you a broad understanding of business and management principles, as well as the opportunity to tailor your skill set to pursue entrepreneurship.

Why Entrepreneurship?

Starting a business is a massive undertaking that requires a strong skill set in all functions of business in addition to creativity and passion for your project. Pursuing entrepreneurship means you get to see your dream come to life and take part in every facet of its success. With the skills gained from a degree in business with a specialization in entrepreneurship, you have endless opportunities and are able to start a business for anything you are passionate about. Small business and startups contribute to the overall health of the economy, are a huge generator of employment and when run efficiently can be extremely rewarding, financially and personally:

- In 2022, the Indian government officially recognized 14,000 new startups with institutions such as the Small Industries Development Bank of India supporting emerging businesses.*
- India is home to the third largest startup ecosystem in the world with an expected year-over-year growth of 12-15%.#
- There are a total of 1.6-1.7 lakh jobs in the startup ecosystem with an estimated 40,000 new roles each year.^

Apply Now

What Will You Learn?

As a student in SNHU's business administration program, you will master vital business competencies such as critical and analytical thinking, economics, finance, organizational leadership, business communications and managerial skills with hands on practice and scenario-based learning. With experienced faculty, subjects designed to develop in-demand business skills and state-of-the-art technology to meet the needs of its students, this program prepares students to venture into the fast-paced world of business. The core subjects of the program provide a well-rounded business administration foundation, while the entrepreneurship specialization subjects dive deeper into what it takes to build a business from the ground up. The specialization subjects include:

- **Business Law II:** Explore topics such as commercial paper, personal property, business organizations, estate planning and government regulation of businesses for a vital understanding of business law to apply to your startup.
- **Principles of Management:** This Writing Intensive Course ensures you develop an understanding of management, planning and decision-making, in addition to the nuances of international management.
- **Small Business Management:** Learn everything about starting a small business from selecting a location, how to borrow money, budgeting and credit.
- **Entrepreneurship:** Explore the factors that contribute to entrepreneurial success through contemporary case studies and simulations.
- **Business Plan Preparation:** A practice-based course in which you will prepare, individually or in a team, a comprehensive business plan for a new venture.

Curriculum

Our General Education program provides students with a learning framework that addresses core competencies (such as information literacy, critical thinking, global knowledge and awareness, etc.) which are identified as critical factors toward a student's ability to succeed in their academic and professional goals. The ultimate purpose of the General Education program is to provide students with an intentional undergraduate experience that contributes to the development of higher-order skills that employers find necessary for students to succeed, regardless of their chosen career field. Students who do not possess an undergraduate degree focused on business may be required to take a Business Foundations course.

If you would like more information about any of the subjects, please click on the subject code to bring you to the academic catalog.

Meet Our Faculty Members

SNHU is dedicated to student success, and that starts with bringing expert faculty to teach our specialized subjects for students studying online from India. In addition to real-world experience in their field and a passion for education, each faculty member undergoes training for online instruction from SNHU.

Our faculty members for online degrees in India are Indian, meaning they can help bridge the cultural gap and give you the unique perspective of an Indian professional working domestically and globally. SNHU hires our Indian faculty members at the same standard as our on campus faculty, so you'll get the unique opportunity to learn from local experts hired at U.S. university standards.

Faculty Highlight

Dr. Meera Iyer, PhD

12+ years of experience

Teaches Physiological Psychology

Dr. Iyer is a child and adolescent psychologist with a PhD in psychology, specializing in cyberpsychology.

She is a member of prominent international and national psychological associations (APA, INSPA, NAOP and BCPA) and has made contributions to government-based initiatives (NCPCR, Mission Shakti-Gov. of India) for counseling trauma and domestic abuse victims.
